

Service bulletin

S. T. 20

THE BRITISH MOTOR CORPORATION (AUSTRALIA) PTY. LIMITED

FOR THE ATTENTION OF SERVICE & PARTS MANAGERS.

SERVICE TOOLS

Distributors and Dealers are advised of the availability of the following service tools which are necessary for servicing of the Clutch on the Mini Cooper.

MINI
COOPER

These tools are used in conjunction with the basic tool kit for the Morris 850.

18G.684	Clutch Centraliser	£2.16.3 each.
18GA.304M	Thrust Pad	4.9 each.

The above items are now available through Healing (Sales) Pty. Limited, in your state capital.

NOTE:

We wish to advise that tool 18G.398 Crankshaft Nut Remover, listed on page T2 of the Freeway & Wolseley 24/80 Workshop Manual, is incorrect. Would you please amend the part number to read, 18G.98.

AUSTIN
FREEWAY
WOLSELEY
24/80

Yours faithfully,

N. PRESCOTT
Service Manager
