Stylishly tailored to suit your car, these embossed plastic covers are dust proof and water proof. Providing protection for your seating but at the same time showing the colour and styling of the seat upholstery.

Seat covers — loose From \$7.95 set

Tailor made from quality material to fit the front seat of your car, these covers feature plain or attractive designs.

Protects your seat upholstery - - - easily removed for cleaning.

KARSEAT — seat cushion

\$3.62 each

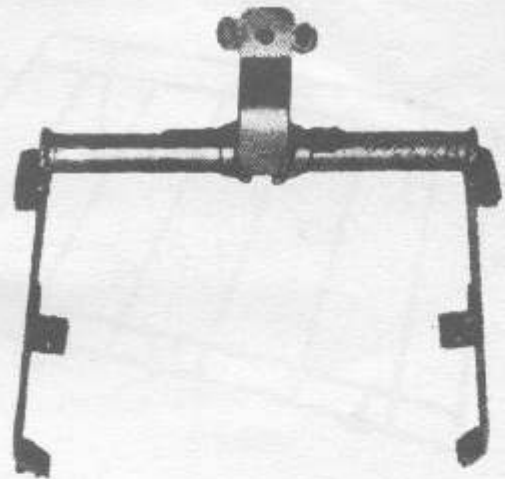

Plus Sales Tax

A ventilated seat cushion in 4 attractive colours.

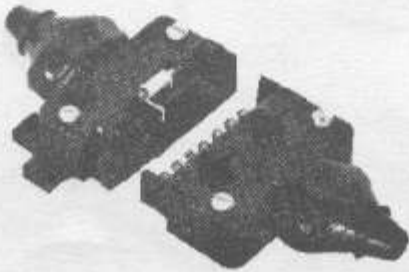

Provides a ventilated seat and back rest reducing stickiness in humid weather - - - has many uses where a clean cool seat is needed.

Tow bar

From \$ 15.00 each

Designed by BMC engineers for BMC vehicles - - - Quality tested material accurately designed to fit without fuss or alteration - - - Safe towing requires the addition of BMC Electrical Wiring Connector.

Trailer Electrical Wiring Connector

\$ 7.00 set

A 7 pole electrical trailer wiring connector to operate all regulation lights fitted to the vehicles original circuit.

Every vehicle equipped with a tow bar should have one of these units fitted.

3 sets available to fit all vehicles with a 12 volt system.

Component and replacement parts available for all kits.

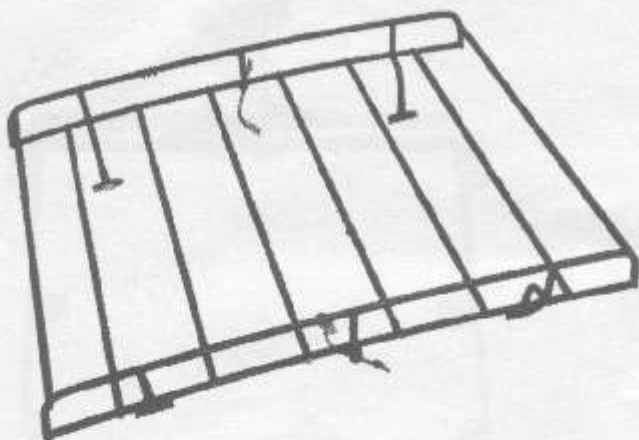

MIRRORS

From \$ 2.75

A range of functionally designed mirrors made from highest quality material to meet all requirements.

Available in asymmetrical or round heads - - - clear or anti glare reflector - - - internal or external fitment.

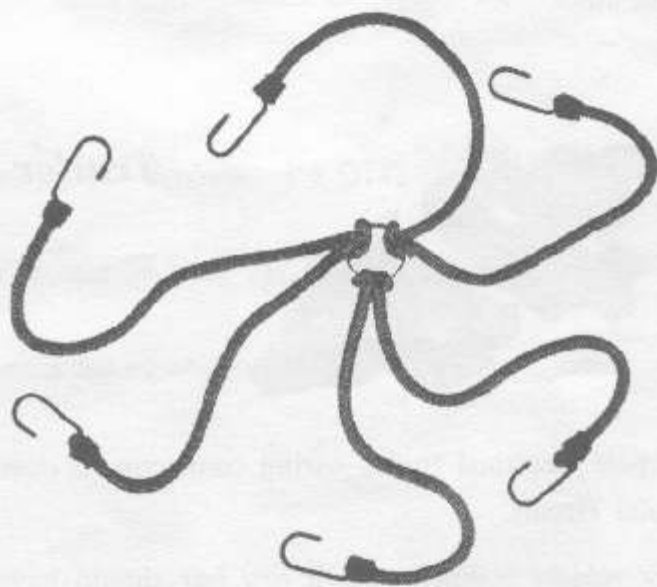

Roof rack

From ~~\$~~16.00

A solidly constructed carrier for those light bulky items required when touring. Easily assembled and disassembled.

Roof rack octopus strap

~~\$~~2.40 each

A series of 6 stretch straps provides a roof rack luggage anchorage with quick action hooks. Allows quick access to any luggage point without the irksome task of undoing ropes and those innumerable knots.

The cord with 101 uses.
Stretches to 7 feet.

Stretchy Cord

~~\$~~0.95 each

Can be used separately or in conjunction with the BMC Octopus strap to hold luggage or material on roof racks or carry bars—holding the boot lid down when the boot is over filled with luggage—many uses when camping or fishing.

Sun visors — external

Available in metal or mesh patterns - - - Sun visors protect the front seat occupants from eye strain caused by direct sun rays.

Helps in keeping the windscreen clear in adverse driving conditions.

Fits to the contours of the car body - - -

Weathershields

From ~~\$~~9.80 each

Designed by BMC to merge with the contours of the car body, these weathershields keep out rain and wind - - - does not interfere with door glass operation.

Stone guard

A contour formed, chrome stone guard to protect the lower section of the rear mudguard sill from paint chipping caused by flying stones and gravel.

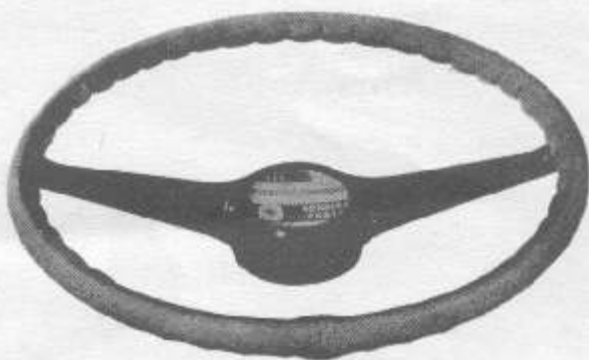

VEHICLE

Morris 1100

~~\$~~3.90 set

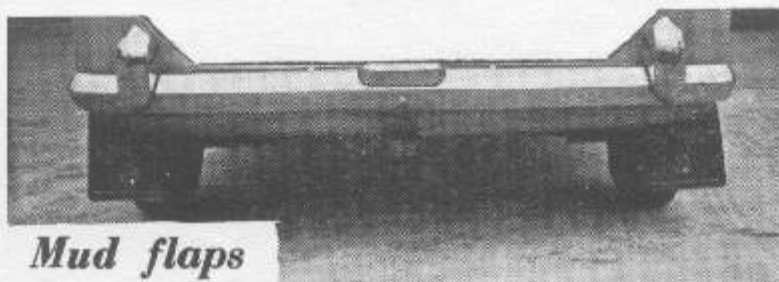

Steering Wheel Covers

~~\$~~ 2.50

Made from high quality plastic with foam backing, these covers provide a safe, sure grip on the steering wheel.

Available in 6 attractive colours, each kit includes needle, thread and fitting instructions.

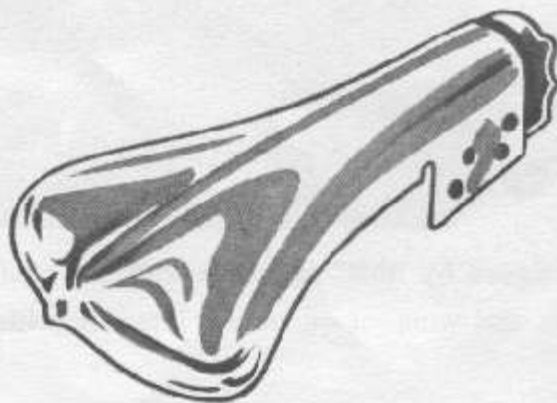

Mud flaps
