

50th ANNIVERSARY DISPLAY

Austin Freeway & Wolseley 24/80

The Austin Freeway & Wolseley 24/80 duo were introduced to the Australian 6 cylinder new car market by the British Motor Corporation on 21st May 1962, and we are now approaching 50 years since this event.

We are seeking expressions of interest from all owners of roadworthy examples of these cars to take part in a display to mark the 50th Anniversary of these vehicles.

The display is to be held at:

**“All British Day”
at the Kings School in North Parramatta, NSW
on Sunday 26th August 2012**

All British Day, is an annual event held in Sydney as a fundraiser for the Arthritis Foundation and includes a display of 1600 British cars of all shapes, makes and ages.

Due to the size of All British Day we will need to reserve you an entry ticket for the display. Anyone turning up on the day without a pre-booked ticket will not be able to take part in the display.

To express your interest or for more information please contact David Walker from the Wolseley Car Club of NSW before the end of March 2012.
